

# Need a Roof Repair or Replacement?

## Concerned about Coronavirus?

# No Need to Meet Face-to-Face!

## Introducing Covid 19-Safe - Remote Roofing Services

### FREE Inspection

**No contact with anyone from our team.** Your safety is our biggest concern. Our Project Managers only work if they are healthy. They will conduct their inspection from outside your home and take photos of damage with their phones. In most cases you won't even know they're there!

**Roof Inspections  
Call (513) 448-1230**

### Sharing Results

Your Project Manager will share all photos and results via email and schedule a time to review by phone. If you're eligible to file an insurance claim and you feel comfortable moving forward, our minimal paperwork **can be performed digitally from the safety of your home!**

### Insurance Approval

Our team will prepare all the details to submit to your Insurance Provider for approval. You can email the pre-packaged information directly to them. **Most Insurance Agents are working in office or remotely during this crisis.**

### Work Begins

Once your claim is approved, our team **will perform all work within local, state and national guidelines for Covid-19 compliance.** We can assure you that our crews will never enter your home, and our Project Managers are always a call, text, or email away!

Thank you for choosing Secured Roofing as your trusted hometown roofer during these difficult times. Our priority is the safety and health of our team, partners and customers.
